Promotional Avenues for PTS Operators in Printing

***†1698. SHRI MOOLCHAND MEENA:** Will the Minister

[†]Original notice of the question was received in Hindi.

[7 August, 2000]

RAJYA SABHA

of URBAN DEVELOPMENT AND POVERTY ALLEVIATION
be pleased to state:

- (a) whether promotional avenues are given to PTS Operators (direct recruitment) in various Printing Presses of Government of India;
- (b) if not, the reasons therefor;
- (c) whether the Directorate of Printing has sent any proposal for the promotion of PTS Operators; and
- (d) if so, the action taken thereon alongwith the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMETN AND POVERTY ALLEVIATION (SHRI BANDARU DATTATRAYA): (a) and (b) Supervisory posts for promotion of Photo Type Setting Operators are not available in the Govt. of India Presses.

(c) and (d) The proposal of the Directorate of Printing for creation of supervisory posts for promotion of the Photo Type Setting Operators was examined by a Committee in the Ministry. It has recommended that no fresh posts can be created at the supervisory level due to ban on creation of posts imposed by the Government; that the nature of work of the said category of employees is such that no supervision is required on a job-to-job basis; and that this cadre will have limited activities in future since with increase in computerization in the various Ministries/Departments, there is likelihood of receipt of Camera-ready copies of manuscripts or floppies which can be directly taken for printing without the need for photo type setting composing in the Govt. of India Presses. The Assured Career Progression Scheme has been recommended for implementation in respect of the Photo Type Setting Operators.

The recommendations of the Committee have been accepted by the Government on 27.6.2000.
